Dear Friends:

I hope that you'll find this directory helpful for a variety of purposes. To improve the accuracy and the currency of the directory, we have only published full information from libraries that have updated or verified their listing since January 2007. Thank you to those library staff members who took the time to do so. Libraries that have not updated or verified their listing since January 2007 have a partial listing consisting of the library name, mailing address, and phone number. We have also included the date when the information was last updated or verified. If the library has never updated or verified its listing the date field reads N/A.

*Darlene Staffeldt,
State Librarian*

Updating or verifying your library's information is easy – just follow these steps:

- Go to: <http://montanalibraries.org/Directory/Main/mldHome.asp>.
- Click the "Edit" button.
- Use the drop-down lists to narrow the search for your library, and then click the "Search" button.
- Click on the name of your library. This will bring you to your library's login screen.
- Enter the password that you use to access your library's directory listing. (If you don't have your password click on the line "Help!!! I can't remember my password!" or send an E-mail request to dcaban@mt.gov with the name of your town and library).
- Click on the "Login" button. This will bring you to the Main Menu.
- From the Main Menu update or verify your library, employee, and board information as needed. Always use the "Buttons" at the bottom of each page to submit your updated or verified information to the State Library.

As in past years, the Montana State Library provides each library that updated its listing within the time allowed, one paper copy of the directory. If you would like more copies, we also offer this publication online. To view or print this document, go to <http://msl.mt.gov/printdirectory>. To obtain the most current library contact information, go to <http://msl.mt.gov/librarydirectory>. We encourage you and your staff members to use these online versions.

We welcome your questions and comments about this publication. Please contact our office at (406) 444-3115.

Sincerely,

A handwritten signature in black ink that reads "Darlene Staffeldt".

Montana State Library Fulfillment Task Force

July 1, 2007 to June 30, 2008

Fourteen Montana librarians and library users comprise the Fulfillment Task Force. Members represent all types of Montana libraries (academic, public, school, and special); all six Federation areas (Broad Valleys, Golden Plains, Pathfinder, Sagebrush, South Central, and Tamarack); shared catalog participants as well as stand alone library systems; net lenders and net borrowers; folks with experience with the various fulfillment issues – resource sharing, interlibrary loans, delivery systems, cooperative collection development and cooperative purchasing programs. The Fulfillment Task Force will bring appropriate research and recommendations to the Network Advisory Council (and to the State Librarian and State Library Commission).

Our library has an archives room with all of the past newspapers from the community. We have a Montana History collection along with Montana authors past and present. We have up to date best sellers that we get through the McNaughton Book Rental Service, and through Landmark Audio Adult fiction that the library rents. The community is very proud of their library.
